

CONSIDER OUR 2 PARISH NEW YEAR RESOLUTIONS!

A new year, a new opportunity to work at the business of being better Catholics! Why not consider NOT doing one thing, and DOING another?

SAY UNTIL THE END!

Come to Liturgy to spend time with God. Remain with the community until the final moment of the Liturgy, when the last note of the closing song has been sung. If you are here to “get it over with” or to “get in & get out” – why are you here, *really*? God gives you the gift of life and the gift of time... why not spend just a little more of it at Mass? Our common prayer as a community strengthens us all.

REMEMBER THE POOR!

God’s blessings are given to us, so why not share those blessings in some way? Make it a habit – each week, or every other week, or once a month – bring a non-perishable food item, a personal care product, or a household product to Church with you, and donate it to our Saint Luke Food Pantry. Large baskets at the entrance of the Church remind us of our on-going responsibility to care for our brothers and sisters. Our common charity strengthens our faith and hope as we care for others.

Happy & Blessed 2015!
